TGB INTERNATIONAL WARRANTY STATEMENT

TGB GROUP TECHNOLOGIES SL, an European company with headquarters at Sant Cugat Sesgarrigues (Barcelona), warrants all goods supplied by it to be free from defects in material and workmanship during one year after delivering date.

Under such warranty TGB commits to either, replace, repair or issue a credit note, at its option, for any goods which, within next twelve (12) months after delivery date, are returned, carriage paid, to TGB and which show to be defective in materials and/or workmanship due to TGB's fault.

TGB shall not be liable under this warranty:

- Unless TGB is notified, in writing, within seven (7) days of the discovery of any defects by the Customer.
- For any goods in which the alleged defect is found to have been caused, in whole or in part, by misuse, neglect, overload, unsuitable lubricant, improper installation, repair, alteration, accident, defects arising from fair wear and tear, abnormal working conditions or failure to follow any instructions issued by TGB.
- For any transport, installation, removal, labours or other costs.
- For any goods not manufactured by the TGB, in such case TGB will use its best reasonable efforts to pass on to the Customer the benefit of any warranty or guarantee given to the TGB.
- Where the defect arises because the Customer has failed to follow TGB's instructions as to the storage, installation, commissioning, use or maintenance of the goods.
- If the Customer alters or repairs the goods without TGB's previous written consent.
- If the defect arises from any design defect in any drawing, design of specification supplied or approved by the Customer.

TGB's total liability shall be limited to the price of goods and shall not be liable by reason of any representation or any implied warranty, condition or other term, or any duty at law for any consequential loss or damage, costs, expenses or other claims.
